

The promised resurrection has once again been fulfilled before our eyes. Now it is up to us to continue to look for the blossoming miracles of God in this the Eastertide of faith. Recently, I came across the following article that caught my eye and heart. I offer it to you that your joy might be full.

Recipe for an Easter Miracle

1 cup Tension
2 cup Stress
1 ½ teaspoons of Guilt
2 healing cups of Limited Time
¾ Tablespoon of Urgency
A day of "No Other Choice"
3 heaping cups of FAITH

Fold ingredients gently into a bowl of life. Mix vigorously and add a few tears. You will sweat a little as you knead the dough. Pack it firmly between your hopes and dreams and form into a perfect little ball.

Sprinkle it with a little faith, rolling the balls in the flour of God's grace until fully covered. Place it under a veil of belief and allow it to rise.

Put it in an oven that has been preset at the perfect temperature for the heat of trials and tribulations. Allow it to brown under the warmth of God's love. Remove after due season and allow to cook in the confidence of God's Easter promise.

Garnish with praises. Arrange neatly on a platter of thankfulness and serve to friends, family, and oh yes, strangers... invite them too! Pass on the recipe to all who request it and let them know that with this recipe, they have the makings of everyday Easter miracles.
