### **God's Home Improvement News!**

Look at the board in the foyer for **project progress!**

**GHI envelopes** may also be found on this board.

The roller coaster ride of weather this spring has caused some delays in the Circle Drive and Sanctuary window tinting projects.

- For the **Circle Drive**, surveyors have done the field work for the topographic survey already and should have it drawn up by April 20. Then Cash-Waggner will create the construction plans from the design. We had hoped to have the survey sooner, but with all the recent rain the crews were set back a couple of weeks. Meanwhile, the Trinity Art Committee has been busy creating conceptual design options for the canopy to incorporate into the bid.  
**Remember: Once a plan with bids is determined, a congregational meeting will be called to vote on the project and funding.**
- For the **Tinted Windows**, we simply need some good weather for our contractor to get on the roof to gain accurate measurements for the film to be ordered. Thanks everyone for their contributions and patience.

## A Word from Your Property Team

### Your gifts to the maintenance fund will be put to use:

The Property Team has identified some repairs that have to be done. While we were investigating a leak, we found that two windows on the second floor do not close. These are located in the confirmation and the preschool-kindergarten classrooms. They are sagging and the framing around the window has failed. This probably means 2 new windows. There are also plaster issues on the second floor that are beyond what we can do on our own. **We appreciate the donations you are already giving for maintenance, but we need to ask for some additional dollars to get us through this.** Please use your Maintenance envelope. Thanks so much!

## Council Highlights – March & April

- Met with the Search Team's recommendation for Office Administrator, Regina Soellner, prior to the start of the Council meeting.
- Approved the **hiring of Regina Soellner as the new Office Administrator** with a start date of April 16, 2018.
- Approved **changes in signature cards and authorizations** to reflect the hiring of Regina.
- Approved money to be used from the Edna Joseph Trust Interest account to be used for camper's scholarships. **The church will pay half the cost of any of the Merom Summer camp program.**

**The Council appreciates all the hard work that was done during the Lenten season by many volunteers.** A lot of folks worked behind the scenes to make things happen. We also appreciate the extra work done by Pastor Jane. Now we welcome Regina into her new role.

This year the fest will be held Aug 2<sup>nd</sup>– 5<sup>th</sup>. **We need your help to make this year a success.** Please plan on spending some time helping in some capacity, with the booth. There are more than enough things for everyone to share in. Remember many hands make for light work.

### Donations for the following would be appreciated:

Ingredients for cobblers:

- Peaches, Blackberries, Blueberries, Apples, Flour, Sugar
- Baking powder, Butter, Nutmeg, Cinnamon, Cornstarch.....

**We will post official signup sheets when the time gets closer.** Right now we are asking you to **save some time in your busy schedules, in order to help with the booth.** If you would like to make a donation, please contact Treva or Kurt Heise at 812 827-3209 or 812 639-2706.

**Pastor Jane is looking for old clay pots...** Yes, they can be broken! Please let Pastor know if you have some or know someone who has them to give away. She needs to make 400 pieces of broken pottery for the 2019 Lenten season.

## In Loving Memory – Mae I. Metzger

December 30, 1938 ... February 27, 2018

We give the Lord thanks for the 79 years of life appointed to God's beloved daughter, Mae Ilene Metzger. By God's loving grace, Mae was able to let go of this world and be lifted unto the heavens on Tuesday, February 27, 2018. Thankfully Mae is now safely cradled in the loving arms of her Lord. We remember Mae as the only child of Bill and Helen (Hatfield) Graber. She was her Daddy's helper on the farm and the joy of his heart. Mae is now reunited in the heavens with her parents.

We are thankful for 56 years of marriage Mae shared with her husband, Don before his death on August 31, 2016. They were married on April 9, 1960, in the Bera Mennonite Church outside of Montgomery, Indiana. Together, Don and Mae enjoyed many years of service through the Shriners and Masonic Lodge. They also enjoyed traveling the area to a variety of restaurants; they became regulars at a few spots.

Mae was blessed to have faithful care-givers throughout her life. Irene Kapp was the sister she never had. Ed & Carol Kapp were the neighbors that were always there to help. Mike Cravener became the son Mae always dreamed of having; he was there by her side in life and in death. Plus, Mae was blessed with church friends that were always ready to accompany her on grand adventures or sit with her in illness. Thanks be to God for this community of caring hearts.

Mae and Don joined Trinity United Church of Christ when they moved to Jasper in 1963. They were regular attenders at the early worship service. You could also count on Mae to bring food to a funeral dinner as well as help assemble the monthly newsletter.

Mae worked as a nurse's aide, a telephone operator, and retired from Jasper Rubber. Service to others was a part of Mae's character. She was a member of the Order of the Eastern Star 601, serving as Past Worthy Matron in 1980. Mae loved helping the Dubois Country Shrine Club with their Quest for a Million Pennies and assisting the crippled children in any way she could.

Mae loved life and enjoyed being on the "Go" whenever possible. She was a collector of dolls and loved the QVC shopping network. Mae enjoyed cooking, sewing and craft projects. We celebrate the life of Mae I. Metzger and give thanks for her faithful service to her Lord. So long as we live, she too shall live; for she is a part of us, as we remember her.

## Mission Alive at Trinity

**Heifer Project Update:** To-date we have received **\$5,961.52** which has **filled an Ark!** Thank you for ALL your donations to our Lenten Mission - Heifer project! We have filled the ark with: cows, ducks, pigs, geese, chickens, sheep, oxen, llamas, alpacas, water buffalos, donkeys, goats, rabbits, guinea pigs, beehives, fish, tree seedlings, an irrigation pump and clean water equipment, and 3 stoves.

**Adopt-a-Family...** Continuing in April, **we will be collecting toward a gift** for the **new family**. Your spare change makes a huge difference!

**This year's Adopt-a-Family is a young couple with a 3 year old girl.** Dad works in Jasper. Mom spends much of her time driving to and from Owensboro, where she has had numerous court appearances in an attempt to remove her young sister (age 8) from a bad home situation. She gave permission to share with you that the child has been in a “meth” prevalent environment. Mom and Dad recently were granted “legal temporary custody” of the girl. They continue to appeal for a more permanent remedy to the situation.

**They asked us to pray for them.** The additional family member plus the added costs of travel for court appearances has put a strain on their budget. They are THRILLED that we offered to help them!! **In February we purchased a Ruler gift card** and **in March a gas card from Huck's with your gifts of spare change.** Blessings to you for the difference you are making for this young family!

### Food Bank Sunday – May 6<sup>th</sup>

**In May,** we are collecting **canned meat and fish.** On Sunday, May 6<sup>th</sup>, please place your donations in the wicker baskets in front of the altar. Throughout the remaining weeks, donations may be placed in plastic tubs in the foyer. In April, we **collected 99 cans of vegetables** along with hamburger helper, jelly and apple juice. Contributions go to the Jasper community Food Bank.

**Looking ahead:** In June, we will collect **boxes of Mac & Cheese!**

### May Mission – One Great Hour of Sharing

Through **One Great Hour of Sharing,** United Church of Christ members reach out in Christ's name to:

- **Build sustainable communities:** OGHS supports self-help programs in more than 80 nations to build sustainable communities that enable people to stand against and rise above hunger, disease, illiteracy, and other forces of injustice that deny and destroy dignity.
- **Respond to disaster:** OGHS provides emergency and long-term assistance to people in the aftermath of hurricanes, tornados, storms, floods, tidal waves, fires, explosions, civil strife, war, or other natural or human-caused events. On average, OGHS responds to a disaster once every 2 ½ days.
- **Minister to refugees:** OGHS responds with advocacy and help, hope and hospitality for people who have been uprooted from their homeland. More than a million of the world's people are displaced at any given time.

## Mission Alive at Trinity *(continued)*

**This year's theme is "MORE THAN WE CAN IMAGINE".** Through our sharing we get a taste of the generosity of God in ways far more than we can imagine. When we give, as the United Church of Christ—individuals, groups, and congregations—it means that the church can stand strong, in the midst of need whether it is nearby or far away.

Thank you for your support. Whether you are a new or long-time supporter, every gift matters! Each gift allows us to see God at work doing so much more than we can imagine.

### Envelopes are in the pews.

Please give generously to help us reach our goal of **\$400**
