

²⁰ David said further to his son Solomon, "Be strong and of good courage, and act. Do not be afraid or dismayed; for the LORD God, my God, is with you. God will not fail you or forsake you, until all the work for the service of the house of the LORD is finished. I Chronicles 28:20

The words above are fitting as Trinity Church lives into 2019. As a church, we have before us an awesome opportunity to tell our story which is rooted in a rich heritage of **extravagant welcome**. We have been and continue to be a melting pot of faith traditions that celebrate our diversity and unity. Together, we can be the church that flings open its doors and bids ALL to come in.

Where do we begin? The first step is to look at our own faith stories and the stories of Trinity Church. Every one of us has a story to tell about of how God's love and grace fills our daily lives. Likewise, the church has a wealth of stories which highlight our caring and compassion for all God's children. **Trinity church continues to shine bright on the corner of 8th and Clay Street.**

Once we are able to tell our own stories to one another, then we are ready for step two which requires us to "Fear Not" as we tell the GOOD NEWS of Jesus Christ within our various communities. In sharing there is power for healing and hope for the future. **Our stories, Trinity's stories matter; they can make a difference in the lives of others.**

So, let us keep close to our hearts the words spoken by David to his son:
"Do not be afraid or dismayed, for the LORD God, my God, is with you. "

January Mission: Blankets of Love

Our mission for January is **Blankets of Love sponsored by Church World Service**. A blanket can provide warmth to a victim of a flood or fire or serve as bedding to a guest in a homeless shelter. **CWS reports that from January to June of this year, 19,201 blankets have been distributed in the United States.** With your \$10.00, you can give a blanket that can provide warmth and shelter, comfort and privacy, and healing and hope wherever God's people may need care. Your support makes a difference in the lives of these children and families. Envelopes can be found in the pew holders. **Goal: \$400 (40 blankets)**

Gift to the Christ Child Update...

Heartfelt thanks for your overwhelming support of **Gift to the Christ Child**. You purchased over **60 gifts and gift cards** for our **2018 & 2019 Adopt-A-Family**. This kind holiday gesture ends our assistance to one family, but we hope you will continue to pray for them. Our new family will also need your prayers and support. *(See below.)*

2019 Adopt-a-Family - This family includes mom, dad, & 4 children.

Mom was recently diagnosed with fairly aggressive cancer and will undergo surgery soon. The costly treatments and doctor bills have, and will continue to, put a crunch on their budget. When approached about receiving our help they were VERY grateful and humbled.

Food Bank Sunday – January 6th

In January, we will be collecting breakfast bars. On Food Bank Sunday, your donation will be placed by the altar and dedicated. Contributions will go to the Jasper Community Food Bank. Throughout the month, please place your donations in the plastic tubs in the foyer.

Circle Drive Project Update – December 2018

On December 10th, a large concrete spreader poured all the concrete in one day! Now we wait 21 days for the concrete to cure. Thus, we hope to be able to park on the circle drive on Sunday, January 6, 2019.

While the concrete is curing, no vehicles can be on it. Thus, the electrician installing the three matching light posts will need to wait until 2019. These new light posts will have a LED light source; a future goal might be to replace the existing six lights on 8th Street with a LED light source also.

Back in 1997 when we did the major addition to our building, the folks in charge of that project hoped someday we would eventually replace the white trim of the breezeway to the brown aluminum used in other areas of our building. Council decided to go ahead and update the trim to the breezeway because maintenance needed to be done on the breezeway. Now the east side of the building will match other areas of our building.

We do have a few things we know cannot be completed until spring. To finish the final coat of painting on the canopy, the temperature needs to be just right. Of course the planting of grass will also be delayed.

We are thankful for all the 2018 donations and look forward to those gifts promised in 2019. The Mae Metzger estate is in the final stages of being closed; we anticipate her gift by the end of the year. To date we have not utilized the line of credit.
