# ***PJ's Ponderings...***

**April 2020**

*"Waken, lilies Easter-white, Rise you purple clover, Dogwoods blossomed in the night,  
Wintertime is over. Roses, throw your thorns away, Death forever sever. In the victory of Christ,  
We will love forever."*

Life is truly a mystery; we can never be certain exactly what will be the blessing of each day. Here we are experiencing early spring, with Easter just around the corner. The daffodils have already peeked their heads from the frosty ground and the forsythia fill our vision with brilliant yellow. Yet, in some places snow is still a good possibility.

Yes life is a mystery filled with new surprises every day. It is in the midst of this mystery that we live our faith. Proclaiming faith, in something that can be seen, is easy. Yet, faith in that which cannot be seen or proven, is something quite different. The disciples that saw the risen Christ were able to declare the Lord's resurrection. However, Thomas, who had not seen the nail marks, was not so easily convinced. He wanted proof that the Lord had risen. He wanted to be sure before he passed along the story.

Are we any different from Thomas? Don't we want proof of God's presence? Don't we want all the details about how our lives will unfold in the days ahead? Surely, it would be easier to be a Christian IF a detailed road map came with our baptism certificate.

The truth of the matter is that with our baptism comes only a mystery. We are a part of a great adventure that will take us to the grandeur of the mountaintops and the depth of the valleys. Yet, we shall not fear as those who do not believe. We are a resurrection people. We know for certain that we belong to God in life and in death. Yes, the "when" and "how" of life is a mystery; but the "what" of life is perfectly clear. We are children of God made new through God's gift of life everlasting.

As you and those you love journey toward Jerusalem, I pray that your fears might be soothed by the loving grace of Jesus Christ. In the days ahead, may each of us find the strength to face life challenges. May we find courage to live surrounded by the mysteries of life, knowing that we are under the watchful care of God. May each of you be blessed with the blooming of the Easter joy within your hearts.

*~ Blessings, Pastor Jane*

## **PASTOR SABBATICAL – COVID 19 VIRUS – COUNCIL CONFERENCE CALL**

Council held a conference call on Monday 23 at 7 PM via “GoToMeeting” computer software. One topic to discuss was an email from Pastor Jane regarding cancelling her sabbatical. However, there was no discussion, as Pastor Jane after careful consideration, decided to cancel her sabbatical. Her decision is directly related to Corvid 19 Virus restrictions and shutdown that we are all facing. The council accepted her decision.

The summer of 2021 was briefly discussed as a possible reschedule of Pastor Jane’s sabbatical, but nothing was approved.

Mark Blackgrave was instructed to notify the IKUCC Conference regarding the Call Paper we signed with Rev. Karen Fraser Moore as our Interim Sabbatical Pastor. During the call with the Conference office, Mark was given some advice and guidance for his conversation with Rev. Karen Fraser Moore.

Rev. Karen Fraser Moore was very understanding and gracious when we asked her to rescind the Call Papers we had signed with her. She agreed to rescind them.

Also, as a note, the church hasn’t spent any money on the sabbatical.

Two additional items were discussed on the March 23 conference call.

### **How we can stay connected as a church.**

March 23 WITZ contacted us offering free airtime **Sunday morning at 9:30 am** as a public service during the Covid-19 crisis. We agreed to have Pastor Jane record a 15 minute message for Sunday, March 29. Please turn your radio to WITZ Sunday morning to listen to Pastor Jane’s inspiring message.

This public service from WITZ will stay active as long as our church is shut down.

### **Timely communication regarding shutdown requirements.**

Council also decided that every two weeks they will discuss and evaluate the shutdown situation and how we may need to make adjustments. Look for an announcement the week of April 5, to be advised whether our current shutdown will be extended beyond April 18<sup>th</sup>.

### CALLING ON ALL KEYS...

If you have keys to the building to enter the back-alley door, we ask that you exchange your key for a personal four-digit code (PIN). The keyless access pad is easy to use and allows for additional improvement to our building security.

So, if you have a key to the building and only enter through the back-alley door, council is asking you turn in your key for a four-digit code (PIN).

Drop by the office, it takes only a few minutes for the exchange of your key for your PIN (personal identification code).

*Thank  
You*

We are on our way **"To Mars and Beyond"** this summer for Vacation Bible School at Trinity United Church of Christ, **June 28-July 3**. Thanks to all of our wonderful church family and friends, we were able to raise \$863 towards our goal of \$800 to fund VBS for 2020. The Vacation Bible School team, along with the youth are getting excited for their journey to Mars and Beyond this summer. Spread the word outside of Trinity to come and join us for a week filled with God's Love and excitement. Registration papers will be out soon and we can always use some extra hands to help out that week, even for just one day would be greatly appreciated. If you have any questions, please get with Kari Roth...2020 VBS Director. Thanks again for all your love and support for the youth on this Journey!

## 2020 CENSUS— EVERYONE COUNTS . . .

The census provides critical data that lawmakers, business owners, teacher, and many others use to provide daily services, products, and support for you and your community. Every year, billions of dollars in federal funding go to hospitals, fire departments, schools, roads, and other resources based on census data.

The results of the census also determine the number of seats each state will have in the U.S. House of Representatives, and they are used to draw congressional and state legislative districts.

...Participating in the census is required by law, even if you recently completed another survey from the Census Bureau. A Complete and accurate count is critical for you and your community, because the results of the 2020 Census will affect community funding, congressional representation, and more.
