A Testimony of Life

***Though eyes grow dim, I can see the smile in your words.
Though sounds grow faint, I can hear the laughter of your embrace.
Though today gets muddled, I can remember the music from a wedding,
a child's first step, a first date.
Though my bones are bent and sore, I can feel the tenderness of your song.
Though longtime friends are fewer, God's love is strong and surer.
Thanks be to God for all the days and seasons of life.***

By – Larry Peacock

As we approach the season of thanksgiving, I am mindful of those saints who have left their love imprinted on our lives. This year, I am particularly aware of the grief throughout our county as we mourn the Covid19 deaths. In the midst of this grief, I seek to find joy. Time and time again, as I am in conversation with the living saints of the congregation, I find my heart blessed by their attitudes of gratitude. Even in the midst of the struggles of changing life and isolation, these saints continue to find ways to give God praise and thanks in all seasons of life. They remind me that each day of our lives can be filled with hope or be seen as rich with blessings. Our thoughts and feelings can bring blessings to our hearts and souls. The source of these feelings is found in the richness of our gratitude.

As we look at the miracles and healings of Jesus recorded in the Bible, we see that it is often gratitude that precedes the gift of life. Gratitude is our guideline for affirming what is truly good in our lives today. Only as we live a life of gratitude, are we able to say "YES" to life in the midst of death.

Throughout the coming month, I invite you to awaken each morning giving God thanks for the blessings of yesterday. Likewise, I encourage you to ask God to open your eyes to the present shower of blessings. Throughout each day, stop and ask yourself, "**What am I grateful for this day?**" Surely life cannot be so bad or sad that you cannot find something to give thanks for each and every day!

I ask that in the midst of your gratitude prayers, you might consider giving God thanks for the faith community at Trinity Church. Give God thanks, as I do, for all those saints who have been positive contributors to this church, allowing us to continue to extend an extravagant welcome to all God's children here in this place and throughout our community.

Yes, many of our saints have faithfully gone before us, so that all who follow might know God's unconditional love and grace. May God continue to touch our lives as we remember them in love.

Grace and Peace, Pastor Jane

Why not share a Joy or Concern with Pastor Jane! Pastor can be reached on her cell phone @ **812-631-1147**. Pastor Jane only knows for sure what is happening in your life if YOU tell her. She cannot ask others to pray unless she hears directly from you; grapevine information cannot be passed along.

If you would like her to announce a joy or concern during worship, please contact her.

Prayers continue to be needed!

Let us pray for those battling COVID-19; may God grant them courage and comfort.
Let us pray for the heroes in the health care system; may God grant them strength.
Let us pray for all those who continue to stay at a distance for the sake of their health.
Let us continue to pray for our school system, as they face challenges and changes.
Let us pray for all those who are struggling to find jobs, re-open businesses and pay the bills.
Let us pray for those dealing with the devastations from wind, fire and water.
Let us give thanks for all those who are reaching out to help clean-up and rebuild around our country.
Let us pray for those who lost loved ones through senseless violence and injustice.
Let us pray for the peace-makers including those in uniform. Let us pray for lasting change.

Take One Home Today! Gift of Love Booklet – My Final Wishes

A personal Guide for my Family and Loved Ones

This booklet, with its neon cover, is available via mail, email or left in the mailbox in front of the office. Call Pastor Jane, if you need a copy. The Gift of Love booklet is an opportunity for each of us to record information about our lives and give guidance to our loved ones about our wishes in death. While arrangements may be made at the funeral home, the fullness of your life may be unknown to the pastor of the church. **Therefore, once you have completed the booklet, feel free to send it to the office so a copy can be made for the church files.**

Yes, I know some are not interested in talking about death and dying. Yet, it is a part of the full circle of life.

I encourage you to fill out your booklet, as well as talk with loved ones about your final wishes.

As pastor, I am blessed to be able to celebrate life and the joy of everlasting life. Every celebration of life is unique, as it is shaped by the life lived. **You can help your family celebrate your life, by letting them know your final wishes; it is a gift of love.**

~ Pastor Jane

Worship Updates . . .

Worship Team Meeting Highlights – Several changes are being made for this year's Advent season. We will be holding two (2) Christmas Eve services to accommodate the need to social distance yet allow enough seating for people to worship. The services will be at 4:30 and 9:00. This year we will also be asking people to advise us of which of the services they would like to attend and the number in their group. This will allow us to ensure family members can sit together. Seating charts will be developed to ensure social distancing. All are welcome to attend but it is understandable if the pandemic or other personal issues prevent your presence. We are living in different times. Masks will continue to be required.

The decorating of the church for Advent will also be done a bit differently. Family groups will be asked to take responsibility for different parts of the decorating on their own time, rather than having a large group of people working together following a church service as done in the past. Examples include set-up/decorating of the foyer tree, putting up garland, setting up the pew candles and hanging the outside banners. Those same family units will be asked to take down such decorations and place them in a staging area between Jan 3 and Jan. 10.

Christmas poinsettias – Christmas will be here before we know it and with it comes the decorating of the sanctuary and foyer. We are hoping to have at least 25 plants for our chancel area this year. Order forms will be available in the foyer or use the poinsettias form (sent in a separate mailing) along with payment. These can be placed in collection boxes outside the sanctuary doors or in the collection box outside the church office door. Plants can be taken home following the 9:00 PM Christmas Eve service or anytime following. **Cost is \$13 per plant. The order needs to be placed by November 29.** Let's keep our sanctuary festive!

Tornado & Fire Drill – We will not be having tornado or fire drills this year due to our social distancing. As a reminder, for tornado warnings those who are able should file down to the basement and remain in the hallways. Those unable to should go to the Sacristy (next to sanctuary) or the communion prep room.

Time and Talent – Because of the pandemic, we are unable to distribute time and talent sheets for use in 2021. We will continue to use those completed for 2020. If you are no longer able to participate in something for which you indicated you could in 2020, ushering or Bible reader as an example, please let our church administrator know and your name will be removed. Mickie can be reached at 812 482 4090.

October 12, 2020 Council Highlights

- Council Appointed Heather Goodhue to fill the position of Brian Ferrell to council. Brian resigned from council earlier this year; Heather will fill Brian's remaining term. We thank both Brian and Heather for serving.
- Council passed a protocol that we will require the wearing of facemasks until the end of January 2021 in worship and other church activities.
- Council approved that starting November 8 worship, congregates can sing softly while wearing their facemasks. It should be noted Pastor Jane has some concern with this decision.

Covid Update:

Back in March of this year we "stopped in-person worship;" we all tried to remain positive that this pandemic would be short lived and that in June we would back to normal. We are now into November with no definite end in sight. So as we plan into 2021, we must keep safety a topmost priority. Providing a safe worship experience for the folks who attend each Sunday is crucial. In consideration of current circumstances, the Council passed the following motion in regard to the use of facemasks:

***Trinity UCC** will require wearing face mask protection anytime two or more people (excluding members of the same household) are in the facilities, until the end of January 2021. Facemasks will be required in all worship services, with exception of the Pastor. This includes all activities, church related and non-church related. This motion will be re-addressed at the January 2021 council meeting.*

The Worship Team and the Council asked Pastor Jane about how we might be able to include more participation in worship. Pastor will start planning for congregational responses starting the first Sunday in November. We also discussed the possibility of once again singing at services. Pastor does not recommend that we sing. However, the Council and Worship Team felt that we could sing softly with a facemask on. After discussion it was agreed that on November 8 we can resume singing (softly & wearing facemasks) . The council passed the following motion:

***Trinity UCC** will allow congregates to softly sing songs during worship services while wearing a facemask (a requirement). Trinity UCC Council recognizes that Pastor Jane Hillman is strongly against the singing of songs due to the potential to spread the Covid -19 virus.*

Our goal is to make sure everyone who wants to attend worship on Christmas Eve is safe. Therefore, we are continuing with the plan for **two Christmas Eve worship services—one at 4:30 PM and an identical service at 9:00 PM**. Offering these two services helps us to adhere to social distancing requirements as well as keeping you as safe as possible. Pastor Jane is already hard at work to ensure a meaningful and inspirational Christmas Eve worship.

With so many changes already implemented, we are still working on ways to provide a connection to our members who feel it's safer to worship from their homes. So each Sunday the bible readings and sermon are recorded and posted to the church's website: www.trinityjasperucc.org Take a few moments of your day to listen to God Words in the bible message and to be inspired by Pastor Jane's ever insightful sermon.

Blessings, Mark Blackgrave, Council President 2020

MISSION ALIVE ... AT TRINITY UCC

NOVEMBER MISSION - CLOTHE THE CHILDREN / COVID -19

The Outreach Team has discussed ways in which to meet the unique challenges presented by the virus, and still provide warm, winter clothing for children in need. We have come up with the following guidelines - with everyone's health and safety in mind. First of all, there will be **no envelopes in the pews this year**. We hope you will place your donation in the offering if you are attending services - OR - send to the church office. Mark it for "**Clothe the Children.**" **Our goal is \$3,000.** Thank you in advance for your generous gift. You always give so lovingly to this project.

SHOPPING DAY!!! Sunday, November 22 at Walmart 8:00 am - Meet at the hair salon.

We will still need Trinity volunteers to escort and assist each family. This, of course, is where we made the most changes. We NEED YOU! - but we NEED YOU to feel safe and comfortable while you shop.

This year:

- 1) We are allowing only **one adult shopper** from each family to attend (unfortunately, no children may participate). By doing this, we can limit contacts and speed up shopping time.
- 2) Bring your **own pen and paper or calculator** to keep track of spending.
- 3) The forms filled out by the family indicating sizes and needs will each be placed in a plastic sheet protector. Vinyl gloves will be worn to do this and then a clean pair used to place the sheets in a folder.....where they will remain until given to you, the volunteer shopper. This will eliminate contact with a paper form that has been in several other hands.
- 4) **A FACE COVERING IS REQUIRED BY EVERYONE!**
- 5) Walmart is doing an excellent job of sanitizing the carts - but feel free to bring your own wipes if you are more comfortable with additional cleaning. Outreach will have some hand wipes available for you to use when you are finished shopping.

SHOPPERS are a vital part of this mission and we want you to feel safe helping us. If there are additional measures we could take to make you more comfortable, contact someone from The Outreach Team. To volunteer there will be a sign-up sheet in the church foyer....OR.... you call Jan at 812-630-7518.

Thank you!!!

UPDATE: October Mission - Neighbors In Need

To date we have received \$ 155.00. Thank you!

COMMUNITY FOOD BANK

Food donations have been significantly less than usual, so if you are unable to leave items at church, you can drop them off at the church office Tuesday-Thursday 8am - 3pm. Your generosity, particularly at this time, is appreciated more than words can express.

Thank you for all you do! Jenny LaGrange

During the month of November, we will be collecting **Peanut Butter & Jelly.**

Adopt - A - Family

We appreciate your support of our Adopt - A - Family! You have generously given your spare change to help a family in need and they are very appreciative. Thank you for your kindness and prayers for this family.

Dear Trinity,

Thank you so much for the Subway gift card. Now I have alternative for when the cafeteria decides to only serve a salad bar for some reason.
