**Volunteer ... Beyond the call of Duty**

**Volunteer** – confident, over the brim, secure; the least needy of appreciation and first to give appreciation;

**Volunteer** – that person whose hand is ready, whose heart overflows, who looks forward, listens carefully, lifts the broken, cares for the grieving, shares a joy;

**Volunteers** – hold a staff, build a bridge, gather sheep, defend the weak, and go the extra mile.

Truly, the quintessence of **Volunteer** by definition is that duty is the meier stepping stone, for he or she gives above the call of duty –

always above the call of duty, always exceeding the mire dutiful.

and ... adventurous ... sometimes they give all.

**Volunteer – well ... that was Jesus and you too.**

- ♥ When someone does their duty, we call them honorable.
- ♥ When someone does their duty in the face of danger, we call them heroes.
- ♥ When someone goes beyond the call of duty, we call them **volunteers!**

## ***Celebrating the life of Ruth Ann Brinkman***

***August 27, 1940 – August 16, 2021***

Let us give God thanks for the 80 years of life appointed to a beloved daughter, Ruth Ann Brinkman. Ruth, the oldest of four children, was born on August 27, 1940 to Robert and Georgina (Steffen) Neuman. Ruth was gently welcomed into the glory of the heavens on Monday evening, August 16, 2021. She is now reunited with her parents, her husband, Richard, her daughter-in-law, Bridget and her two sisters Carol Pederson and Donna Neuman. May God's comfort be upon her surviving brother, Eugene and other family members.

We are thankful for the 56 years of marriage Ruth shared with her beloved husband Rich, whom she married on September 7, 1963 at Trinity United Church of Christ. Ruth and Rich enjoyed a life filled with the blessings of family and good friends. The love that Ruth and Rich shared gave birth to five children: Christine, Cynthia, Catherine, Chad, and Curt. The family grew with the addition of sons-in-law, Daniel & John. Rich and Ruth were also blessed with 14 grandchildren: Joshua, Justin, Jennifer, Juel, Colton, Faith, Amber, Holly, David, Caitlyn, Jace, Mariah, Leah, and Arah. The family also now includes 13 great-grandchildren. There are wonderful childhood memories of picnics at the Huntingburg Conservation Club and road trips to visit the extended family. Most recently, Ruth was blessed to spend time with the family in Florida where they gathered for a family wedding. Ruth dedicated her life to caring for her loved ones.

Ruth was baptized, confirmed, and married at Trinity United Church of Christ in Jasper. She was a member of the Trinity Women's Guild and sang in the church choir. In her younger years, she worked as an LPN in Dr. Salb's office. Later Ruth worked at the Dairy Queen where she made life-long friends. She was also a member of the Jasper Outdoor Recreation. Ruth loved going out to eat, watching Wheel of Fortune, gardening, playing cards, and spending time with her family, especially the grandchildren and great grandchildren.

## ***Celebrating the life of Jason L. Stockburger***

***October 10, 1974 – August 19, 2021***

Jason L. Stockburger was born in Honolulu, Hawaii on October 10, 1974, to David and Debie Stockburger. We are thankful for the 46 years of life appointed by God before his death on Thursday, August 19, 2021. Jason had been at the Timbers of Jasper for 14 years following his injury from a car accident.

Jason was a 1993 graduate of Jasper High School. After high school, he served in the United States Navy. Jason was a talented artist. He won several art contests and had his work displayed in local art shows. Trinity church was gifted with one of his works of art which hangs in our chapel. He enjoyed playing video games online, artwork, and watching the Indianapolis Colts.

Proceeding Jason in death were his grandparents and one aunt; Jeanne Jordan. Our prayers and sympathy are with his parents David and Debbie Stockburger, his sister Jamie and his two nephews Tyler and Carter as well as his aunts and uncles.

**Neighbors in Need** is a special mission offering of the United Church of Christ which supports ministries of justice and compassion in the United States. The Outreach Team of Trinity has chosen NIN for the October mission. One-third of the Neighbors In Need offerings support the Council for American Indian Ministry. In 2021, monies from NIN and other funds will be used in part, for grants for UCC churches struggling during COVID-19. Justice issues addressed this year will emphasize homelessness. Envelopes will be placed in the pews to be used during October. **Trinity's goal is \$400.** There are many needs in the United States today. Your generosity is very much appreciated. Thank you!

- ◆ **Adopt-a-Family...** Your spare change/dollars to purchase food gift cards in the coming month.

- ◆ **College Student support...** We received **\$530** toward our goal of **\$350!** Your generous gifts will be appreciated by our 7 college students: Emma Emmons, Jack Goodhue, Jace Goodhue, Laurel Hubster, Ella Hubster, Sydney Peters, and Amanda Schnell. Gift cards will be in the mail soon, so they know their Trinity Family loves and cares about them!

### Community Food Bank – October donations: boxed dressing!

Some of you may know I have had old age related health issues for a couple of months. My husband has still been able to pick up the items you have donated and, since he volunteers there weekly, he has delivered your donations. These are difficult times. In spite of that, Trinity has helped the Food Bank! **In August, you contributed 25 boxes of cereal and 3 large family-sized bags of cereal. So far in Sept. 27 rolls of toilet paper and 10 rolls of paper towels have been donated.** I know some of you are not attending church in person. If you would like to mail a monetary gift, the address is: **Community Food Bank 1404 S. Meridian Road Jasper, IN 47546** **Boxed dressing mix is the October item.** Thank you for helping those in need.

~ Jenny LaGrange, Outreach Team

### UCC Special Appeal: "Severe Storms 2021"

Catastrophic winds, flood waters, fires, power outages have devastated various parts of our country. Recovery needs, both short- and long-term, will be massive, with damage estimates in the billions of dollars. **If you would like to help, clearly mark your donation** and Trinity will see that it gets passed along where it can be put to use in the recovery.

## Family Festival Re-cap – September 11, 2021

The fourth annual Family Festival was a big success. The festival was started years ago by Jasper church Iglesia Nueva Vida, translated as new Life Church. One of the goals of this year's event was to promote family values in our community. The faith-inspired event was held at Schroeder Complex with many fun activities for families to enjoy. Besides music throughout the day and speakers giving short messages, the event ended with a family movie shown on a big screen.

Our booth activity was "The Walls of Jericho come Tumbling Down". Participants stacked blocks of differing sizes to build a wall. Then the fun began as they took bean bags and knocked down their wall! Thank you to Greg, Addison, and Corbin Schnarr, Sherri, Mya, and Gavin Uebelhor, Abbie, Hadley and Cameron Rumbach, Heather Goodhue, Larry LaGrange, John and Shea McGovren for manning the booth.

Trinity distributed 200 boxes of popcorn at the end of the evening for the movie-goers. The popcorn was donated by Rural King and packaged into individual serving boxes by Mary Ann Weisheit, Connie Schmitt, and Jane Neukam.

Council approved a \$500 donation to go towards the expenses of this event. Thanks to all who helped! Outreach Team (*Rod and Jan Kalb, Jenny LaGrange, and Susan McGovren*)

**From the Family Festival Committee:** Thank you all for your participation in the Family Festival. We appreciate your willingness to sponsor a booth and provide the popcorn for the movie. Your donation of \$500 helped to defray the costs of the festival. It was a great day with families enjoying the activities, music, messages, food and movie.

## Strassenfest Re-Cap

Strassenfest 2021 turned out to be one of the more challenging events this year. There were many difficulties to overcome this year due to Covid. To highlight some activity this year, we set a new booth set-up record with a time of 1 hour and 45 minutes, sold 68 gallons of ice cream, sold out of cobbler every night before 10 PM, there was a marriage proposal, good music and I got to reconnect with many members of the church after being home bound for many months. This is such a big event for the community, but also for the church. I would like to say thank you to everyone who contributed to making this year one of the best Strassenfest ever. ~ *David Peters*

~ Mark Blackgrave, Council President 2021

**Mark Blackgrave's comments & feelings regarding Covid:** Covid Pandemic continues to rage throughout the world and continues to plague our community. We miss our members and friends who we don't see; out of fear of this deadly disease, they remain sheltered. Many of us are tired and weary; for some wearing mask has become a way of life. Some of you are even tired about hearing about Covid in worship and have mentioned this to me. The context of worship is the right of the pastor to "feed us" what a pastor feels we need. Our pastor has a belief that this Covid crisis needs awareness, understanding and prayers. I know there are at least a few that may disagree with this approach for whatever reasons. Pastor Jane has expressed her willingness to listen to your concerns; I would encourage you to take her up on that offer by making an appointment to see her or call her on the phone. It is good to have a healthy dialogue on concerns about Covid or any other items.

~ Peace, Mark Blackgrave

Sanctuary Dome Water Leak Update

~ from Mark Blackgrave

Below is the report from Technical Assurance, the company that performed the forensic water infiltration tests to determine the locations of the water leaks. Remember, Technical Assurance, is not a contractor, they only advise clients on building issues and recommend solutions. They have found multiple areas of concerns that need to be fixed. Below is a pictorial Summary of the findings:

Exterior Issues (the cause)

Interior Damage (the results)

The list of repairs needed:

Exterior (phase 1/solution 1) Remove all existing caulking and sealant Replace all caulking and sealant on window frames Replace all caulking and sealant around roof flashing Cap off screw holes; Paint window frames	Interior (phase 2) Remove water stains Secure and or replace window seals Check and secure walnut wood appliques
---	---

Technical Assurance presented us two solutions for phase 1. The first solution is to remove all old sealant and putty on window frames and the roof flashing and apply new. They believe this will solve the issues by 92%. The second solution, more involved, is to remove the windows and refurbish the frames and re-glaze of the stain glass. They believe this would solve the issues by 97%. They are recommending approximately 15-year maintenance period to prevent future issues.

All of this comes with a huge cost. The council discussed the options and decided to find out some additional information from Technical Assurance. We also will be forming a team, so that the best recommendations can be made to the congregation. We will also have to figure out the financial implications for a project of this size.

Again, if you have any questions or want to see the actual report, please let me know. ~ Mark
